A tequila tsunami acquainted me with alcohol. Quiet
dish washers are much easier to tolerate. Will she send me
a QSL card to commemorate our QSO? That ham went
QRT when his transmitter was stolen. Can two electrons
simulate a quantum communication? When can a
ham erect an antenna tower? Can a dipole antenna
can be made with short wires tied to each other or
must one use solder? 36 is 3 times 12. The summer
weather here was nice. Canoes are not in the water in
winter. Time wasters include snow dreams in warm
months.
